### Get More From Sun Java Studio Creator

Thanks for downloading your free **30-day trial version** of Sun Java Studio Creator, the powerful tool that lets you develop and deploy Web applications to 100-percent Java technology standards.

Now that you're ready to get started with Java Studio Creator, we'd like to invite you to take full advantage of the wealth of available Sun Developer Network resources during your free trial period.

**→ Take Advantage of Powerful Development Resources**

Now you can access powerful tools and resources to complement your free 30-day trial of Sun Java Studio Creator. Just go to the Java Studio Creator developer resources [Web site](#), where you'll get free access to tutorials, code clips, FAQs, online training, and more! All you'll need to get started is your Online ID and product serial number.

**Get more from Sun Java Studio Creator.**

Please do not reply to this email. If you have a question or need assistance, please visit the [Support page](#).

Thank you,

Sun Microsystems

**Free Newsletter**

Plus, get the latest news, updates, and special offers, with a FREE subscription to the Sun Java Studio Creator Newsletter. Just register for the [Sun Developer Network](#), then click "Sun Developer Network Publications" and click the newsletter checkbox.

**Free Resources and Support**

Combined with your Sun Developer Network subscription, Java Studio Creator is an unbeatable Web applications-building tool. If you have questions about installation or other support issues, please visit the [Support page](#) and click "Support Options."
